Makers of Jewish Modernity
Thinkers, Artists, Leaders, and the World They Made
Edited by Jacques Picard, Jacques Revel, Michael P. Steinberg & Idith Zertal

“A rich, fresh, and important contribution to the literature on Jewish modernity.”
—Daniel B. Schwartz, author of The First Modern Jew: Spinoza and the History of an Image

“The editors of [Makers of Jewish Modernity] exceed their stated goal of showing how various Jewish public figures ‘transformed the 20th century, through 43 profiles of subjects both expected … and surprising. … The entries, which assume no prior knowledge, convey a great deal of information and cogent analysis in a short space.”
—Publishers Weekly

A reference book like no other, Makers of Jewish Modernity includes an informative general introduction that situates its subjects within the broader context of Jewish modernity as well as a rich selection of photos.

2016. 600 pages. 43 halftones.

The Hebrew Bible
A Critical Companion
Edited by John Barton

“There are contributions here that present this material in ways that provoke reflection and can set the reader thinking in new directions. The book’s thematic approach puts it in a category by itself.”
—Joseph Blenkinsopp, author of Abraham: The Story of a Life

“This is a fine volume of worthwhile essays.”
—George J. Brooke, author of Reading the Dead Sea Scrolls

“This collection provides a rich introduction to the Hebrew Bible for general readers, and is an invaluable companion for students and scholars.”
—Publishers Weekly

Featuring contributions from experts with backgrounds in the Jewish and Christian faith traditions as well as secular scholars in the humanities and social sciences, The Hebrew Bible is the perfect starting place for anyone seeking a user-friendly introduction to the Old Testament, and an invaluable reference book for students and teachers.

2016. 600 pages. 25 line illus.

Eclipse of God
Studies in the Relation between Religion and Philosophy
Martin Buber
With a new introduction by Leora Batnitzky
"[Buber] remains a philosopher for our times. As he writes in the prelude to this volume, ‘Real listening has become rare’…. Buber’s words could not be more prophetic.” —Leora Batnitzky, Princeton University
Biblical in origin, the expression “eclipse of God” refers to the Jewish concept of hester panim, the act of God concealing his face as a way of punishing his disobedient subjects. Though this idea is deeply troubling for many people, in this book Martin Buber uses the expression hopefully—for a hiding God is also a God who can be found.
Featuring a new introduction by Leora Batnitzky, Eclipse of God offers a glimpse into the mind of one of the modern world’s greatest Jewish thinkers.
2015. 144 pages.
Pa: 978-0-691-16530-1 $24.95 | £18.95

The Prophetic Faith
Martin Buber
With a new introduction by Jon D. Levenson
Originally published in English in 1949, The Prophetic Faith features Martin Buber’s readings of select biblical prophets—especially Isaiah and Deborah, the only female prophet and judge in the Hebrew Bible. In an approach that combines insights from biblical prophecy with a concern for events in the here and now, Buber outlines his interpretation of biblical revelation. Infused with an anti-institutional—some have said anarchic—sensibility, Buber discusses the notion of kingship as portrayed in the Bible and provides an account of human suffering in an extended discussion of the Book of Job.
Featuring a new introduction by Jon D. Levenson, The Prophetic Faith encourages a renewed appreciation for the Hebrew Bible and its relevance to the practical challenges of the present day.
2015. 344 pages.
Pa: 978-0-691-16624-7 $24.95 | £18.95

Hasidism and Modern Man
Martin Buber
Edited and translated by Maurice Friedman
With a new introduction by David Biale
First published in 1958, Hasidism and Modern Man examines the life and religious experiences of Hasidic Jews, as well as Buber’s personal response to them. From the autobiographical “My Way to Hasidism,” to “Hasidism and Modern Man,” and “Love of God and Love of Neighbor,” the essays span nearly half a century and reflect the evolution of Buber’s religious philosophy in relation to the Hasidic movement. Hasidism and Modern Man remains prescient in its portrayal of a spiritual movement that brings God down to earth and makes possible a modern philosophy in which the human being becomes sacred.
2015. 160 pages.
Pa: 978-0-691-16541-7 $24.95 | £18.95
The Beginning of Politics
Power in the Biblical Book of Samuel
Moshe Halbertal & Stephen Holmes

“By treating the author of Samuel as an ancient Machiavelli, Halbertal and Holmes enable readers to approach the biblical story in a new way while enhancing their understanding of the workings of political survival and the dynamics of power.”
—Steven Weitzman, author of Solomon: The Lure of Wisdom

“For Halbertal and Holmes, the author of Samuel is a writer of singular political insight, a brilliant student of politics, and indeed, a political theorist avant la lettre. This is a wonderful discovery. The Beginning of Politics is a work of deep and original scholarship.”
—Michael Walzer, author of In God’s Shadow

The Beginning of Politics mines the story of Israel’s first two kings to unearth a natural history of power, providing a forceful new reading of what is arguably the first and greatest work of Western political thought. This book is a timely meditation on the dark side of sovereign power and the enduring dilemmas of statecraft.

After One-Hundred-and-Twenty
Reflecting on Death, Mourning, and the Afterlife in the Jewish Tradition
Hillel Halkin

“This is a most remarkable and beautifully written book. Halkin elegantly weaves together illuminating scholarly examinations of various Jewish ideas about death, mourning, and the afterlife with his own wonderfully honest, humane, and deeply moving personal reflections on these subjects and on his own mortality. After One-Hundred-and-Twenty is in a class by itself.”
—Leon R. Kass, author of The Beginning of Wisdom: Reading Genesis

After One-Hundred-and-Twenty provides a richly nuanced and deeply personal look at Jewish attitudes and practices regarding death, mourning, and the afterlife as they have existed and evolved from biblical times to today.

The Story of Hebrew
Lewis Glinert

“In this incandescent narrative of an ever-renewing tongue, masterful linguist Lewis Glinert traces how Hebrew, however severely displaced from its native ground, has continued through centuries of tribulation to nurture its heritage. Elegantly luring us from one intellectual movement to the next, he arrives at history’s most moving culmination: the language of the book returning at last to the everyday voices of little children.”
—Cynthia Ozick, author of Critics, Monsters, Fanatics, and Other Literary Essays

“An absolutely fascinating story—about the history of Jewish culture, the power of language, and the enduring meaning of Hebrew for Jews and non-Jews alike. Written with command, grace, and charm, this is a marvelous and utterly engaging work.”
—Barry W. Holtz, Jewish Theological Seminary

“Superb. The Story of Hebrew is a wonderful book—elegantly written, meticulously researched, and exciting to read. A magnificent study.”

The Origin of the Jews
The Quest for Roots in a Rootless Age
Steven Weitzman

"Compellingly argued and very original. Only a scholar whose mind is as fertile as Weitzman’s and whose curiosity is as intense as his could have pulled off a book like this with such success."
—Saul M. Olyan, author of Disability in the Hebrew Bible

The Jews have one of the longest continuously recorded histories of any people in the world, but what do we actually know about their origins? While many think the answer to this question can be found in the Bible, others look to archaeology or genetics. Some skeptics have even sought to debunk the very idea that the Jews have a common origin. In this book, Steven Weitzman takes a learned and lively look at what we know—or think we know—about where the Jews came from, when they arose, and how they came to be.

Spanning more than two centuries and drawing on the latest findings, The Origin of the Jews brings needed clarity and historical context to this enduring and often divisive topic.

The Many Deaths of Jew Süss
The Notorious Trial and Execution of an Eighteenth-Century Court Jew
Yair Mintzker

“I couldn’t put this book down. Revisiting a notorious case of anti-Semitism, Mintzker excavates a mountain of contradictory evidence with penetrating intelligence, great erudition, and rich human sympathy. This is a resonant and profoundly original book.”
—Keith Michael Baker, Stanford University

“This is a highly intelligent, scintillating, and fascinating book that will stimulate a great deal of debate. The story of ‘Jew Süss’ is a wonderful subject and Mintzker is the historian to tell it. He has a fine imaginative ability to recreate a whole world.”
—Lyndal Roper, author of Martin Luther: Renegade and Prophet

“The Many Deaths of Jew Süss presents a very engaging and innovative approach to a vexing episode and the mountain of materials it produced, none of which provide for a straightforward account of the events. Mintzker sheds new light on a fascinating story.”
—Elisheva Carlebach, author of Palaces of Time

June 2017. 440 pages. 8 halftones. 2 maps. Cl: 978-0-691-17232-3 $35.00 | £24.95

Mother of Mercy, Bane of the Jews
Devotion to the Virgin Mary in Anglo-Norman England
Kati Ihnat

“Kati Ihnat’s book is an eloquent and important contribution to our understanding of the cult of the Virgin Mary, medieval anti-Jewish polemics, and the role of the liturgy in medieval cultural politics. It is an exemplary study of how religious stories are created, and is essential reading for anyone interested in cultural politics, the power of imagery, and the ramifications of monastic thought in the Middle Ages.”
—Anthony Bale, Birkbeck College, London

Through an examination of miracles, sermons, liturgy, and theology, Mother of Mercy, Bane of the Jews reveals how English monks helped to establish an enduring rivalry between Mary and the Jews, in consolidating her as the most popular saint of the Middle Ages and in making devotion to her a foundational marker of Christian identity.

2016. 320 pages. 9 line illus. 1 table. Cl: 978-0-691-16953-8 $45.00 | £34.95

German Jewry and the Allure of the Sephardic
John M. Efron

“[T]he definitive account of the subject. This richly documented and beautifully written book makes quite clear what the stakes were for German Jews in summoning forth the memory of Sephardic forbears. Efron is a historian at the top of his game.”
—David N. Myers, author of Resisting History

In the eighteenth and nineteenth centuries, as German Jews struggled for legal emancipation and social acceptance, they also embarked on a program of cultural renewal, two key dimensions of which were distancing themselves from their fellow Ashkenazim in Poland and giving a special place to the Sephardim of medieval Spain. Where they saw Ashkenazic Jewry as insular and backward, a result of Christian persecution, they depicted the Sephardim as worldly, morally and intellectually superior, and beautiful, products of the tolerant Muslim environment in which they lived. In this elegantly written book, John Efron looks in depth at the special allure Sephardic aesthetics held for German Jewry.

Sabbatai Sevi
The Mystical Messiah, 1626–1676
Gershom Scholem
With a new introduction by Yaacob Dweck
Translated by R. J. Zwi Werblowsky

“Immensely important and fascinating…. [A] monumental work of historical scholarship, which recounts in minute detail a moving tragedy of vast dimensions.”
—New York Review of Books

“Comprehensive … the last word on an astonishing episode of Jewish history.”
—Times Literary Supplement

Gershom Scholem stands out among modern thinkers for the richness and power of his historical imagination. A work widely esteemed as his magnum opus, Sabbatai Sevi offers a vividly detailed account of the only messianic movement ever to engulf the entire Jewish world.

Poetic Trespass
Writing between Hebrew and Arabic in Israel/Palestine
Lital Levy

“An important and engaging work.”
—Pelle Valentin Olsen, Middle East Journal of Culture and Communication

Blending history and literature, Poetic Trespass traces the interwoven life of Arabic and Hebrew in Israel/Palestine from the turn of the twentieth century to the present, exposing the two languages’ intimate entanglements in contemporary works of prose, poetry, film, and visual art by both Palestinian and Jewish citizens of Israel. In a context where intense political and social pressures work to identify Jews with Hebrew and Palestinians with Arabic, Lital Levy finds writers who have boldly crossed over this divide to create literature in the language of their “other,” as well as writers who bring the two languages into dialogue to rewrite them from within.

The Star and the Stripes
A History of the Foreign Policies of American Jews
Michael N. Barnett
“[A]n important book that shows how American Jews struggle with and express their identities on a global scale.”
—Publishers Weekly
How do American Jews envision their role in the world? Are they tribal—a people whose obligations extend solely to their own? Or are they prophetic—a light unto nations, working to repair the world? The Star and the Stripes is an original, provocative interpretation of the effects of these worldviews on the foreign policy beliefs of American Jews since the nineteenth century.

Andrew Robinson  
In association with the Albert Einstein Archives  
With a new afterword by Diana Kormos Buchwald  
“Einstein’s life was full of paradoxes, and this lovely coffee table book . . . reveals them all.”  
— New Scientist  
2015. 256 pages. 150 color and B&W illus.  
Pa: 978-0-691-16989-7 $24.95 | £18.95
Forthcoming

**Hitler’s American Model**
The United States and the Making of Nazi Race Law
James Q. Whitman

“Hitler’s American Model is a breathtaking excavation of America’s shameful contribution to Hitler’s genocidal policies. This book is a profound testament to what the past can teach us about the present and is more timely than Whitman could possibly have imagined when he began this remarkable excursion into our nation’s original sin and its surprising European legacy. A brilliant page-turner.”
—Laurence H. Tribe, Harvard Law School

“This is a brilliant, erudite, and disturbing book. By looking at the United States through the eyes of Nazi legal theorists in the 1930s, Whitman contributes to our understanding of this darkest chapter of German legal history. Moreover, he shines a light through this unlikely lens on the worst sins of our own country’s past.”
—Lawrence M. Friedman, author of *A History of American Law*

Indelibly linking American race laws to the shaping of Nazi policies in Germany, *Hitler’s American Model* upends understandings of America’s influence on racist practices in the wider world.

March 2017. 256 pages. 7 halftones.
Cl: 978-0-691-17242-2 $24.95 | £18.95
Pa: 978-0-691-17336-8  $19.95 | £14.95

Forthcoming

**American Covenant**
A History of Civil Religion from the Puritans to the Present
Philip Gorski

“Philip Gorski’s stimulating and original history of civil religion restarts a conversation begun by Robert Bellah at the height of the American involvement in Vietnam. It is a vital conversation again in the contemporary United States and Gorski offers a compelling vision of a patriotism that steers between a belligerent nationalism and a dismissal of all religious contributions. It’s a learned and even necessary book.”
—John T. McGreevy, author of *American Jesuits and the World*

Was the United States founded as a Christian nation or a secular democracy? Neither, argues Philip Gorski in *American Covenant*. What the founders actually envisioned was a prophetic republic that would weave together the ethical vision of the Hebrew prophets and the Western political heritage of civic republicanism. In this ambitious book, Gorski shows why this civil religious tradition is now in peril—and with it the American experiment.

April 2017. 336 pages. 2 line illus.
Cl: 978-0-691-14767-3 $35.00 | £24.95
Pa: 978-0-691-17336-8  $19.95 | £14.95

Forthcoming

**The Koran in English**
A Biography
Bruce B. Lawrence

“A major contribution. This book is the first systematic treatment of the Qur’an in English translation and, I think, is destined to be a seminal work.”
—Ziauddin Sardar, author of *Mecca: The Sacred City*

Lives of Great Religious Books

June 2017. 264 pages. 14 halftones.
