## 1989

The Struggle to Create Post-Cold War Europe

Mary Elise Sarotte

“Sarotte has written a major book about one of the most important events at the end of the cold war—the international negotiations which culminated in the unification of Germany. Notably, she has managed to get access to primary sources that

would be the dream of any historian. She vividly describes the efforts of powerful individuals to create order out of fast-moving and chaotic circumstances. This is a terrific book.”

—A. James McAdams, University of Notre Dame

Based on documents, television broadcasts, and interviews from many different locations including Moscow, Berlin, Bonn, Paris, and Washington, *1989* describes how Germany unified, NATO expansion began, and Russia got left on the periphery of the new Europe. Mary Sarotte explains that while it was clear past a certain point that the Soviet Bloc would crumble, there was nothing inevitable about what would follow.

Mary Elise Sarotte is associate professor of international relations at the University of Southern California.

## Delete

The Virtue of Forgetting in the Digital Age

Viktor Mayer-Schönberger

“Human society has taken for granted the fact of forgetting. Technology has made us less able to forget, and this change, as Mayer-Schönberger nicely demonstrates, will have a profound effect on society. We as a culture must think carefully and strategi-

cally about this incredibly significant problem.”  
—Lawrence Lessig, author of *Remix: Making Art and Commerce Thrive in the Hybrid Economy*

*Delete* looks at the surprising phenomenon of perfect remembering in the digital age, and reveals why we must reintroduce our capacity to forget. Digital technology empowers us as never before, yet it has unforeseen consequences as well. Potentially humiliating content on Facebook is enshrined in cyberspace for future employers to see. Google remembers everything we’ve searched for and when. The digital realm remembers what is sometimes better forgotten, and this has profound implications for us all.

Viktor Mayer-Schönberger is director of the Information and Innovation Policy Research Centre at the National University of Singapore’s Lee Kuan Yew School of Public Policy.

2009. 256 pages. 1 table.  
Cl: 978-0-691-13861-9 \$24.95 | £16.95

## Animal Spirits

How Human Psychology Drives the Economy, and Why It Matters for Global Capitalism

George A. Akerlof & Robert J. Shiller

"This book is dynamite. It is a powerful, cogent, and convincing call for a fundamental reevaluation of basic economic principles. It presents a refreshingly new understanding of important economic phenomena that standard economic theory has been unable to explain convincingly. *Animal Spirits* should help set in motion an

intellectual revolution that will change the way we think about economic depressions, unemployment, poverty, financial crises, real estate swings, and much more."

—Dennis J. Snower, president of the Kiel Institute for the World Economy

George A. Akerlof is the Daniel E. Koshland Sr. Distinguished Professor of Economics at the University of California, Berkeley. Robert J. Shiller is the Arthur M. Okun Professor of Economics at Yale University.

2009. 248 pages.

Cl: 978-0-691-14233-3

\$24.95 | £16.95

## Also by Robert J. Shiller

Honorable Mention, 2008 PROSE Award for Excellence in Business, Finance and Management, Association of American Publishers

## The Subprime Solution

How Today's Global Financial Crisis Happened, and What to Do about It

"Robert Shiller is two for two in predicting and identifying bubbles that will burst. This book is a must read for anyone predicting future bubbles or charting the course of recovery from our current difficulties."

—Lawrence H. Summers, Harvard University

2008. 208 pages. 4 line illus.

## The Democracy Index

Why Our Election System Is Failing and How to Fix It

Heather K. Gerken

"What a terrific idea! Heather Gerken makes a powerful argument that with the Democracy Index ranking states and localities, we can create a little competition to improve our electoral process. She makes the brilliant suggestion that democratic checks should be enlisted to improve democracy itself. In the process of elaborating what may well be the best recent idea for promoting electoral reform, Gerken offers a fun and engaging read. I couldn't put it down."

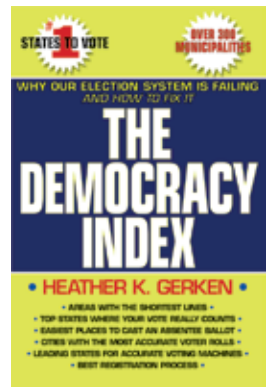

—Cass R. Sunstein, coauthor of *Nudge: Improving Decisions about Health, Wealth, and Happiness*

Heather K. Gerken is a professor at Yale Law School, where she teaches election and constitutional law.

2009. 192 pages. 2 tables.

## Inventing the Job of President

Leadership Style from George Washington to Andrew Jackson

Fred I. Greenstein

“Fred Greenstein, one of the nation’s best-regarded observers of the modern American presidency, has turned his attention to our first seven presidents and renders characteristically succinct and sage judgments on their performance.

This is the perfect book for anyone who wants to understand how our early presidents invented the job of president.”

—Richard J. Ellis, Willamette University

Fred I. Greenstein is professor of politics emeritus at Princeton University.

2009. 176 pages. 7 halftones.  
Cl: 978-0-691-13358-4 \$19.95 | £13.95

## This Time Is Different

Eight Centuries of Financial Folly

Carmen M. Reinhart & Kenneth S. Rogoff

“*This Time Is Different* is a tremendously exciting, topical, and controversial book on the history of debt and default. This one belongs on everyone’s shelf.”  
—Barry Eichen-  
green, author  
of *The European*

*Economy since 1945*

Throughout history, rich and poor countries alike have been lending, borrowing, crashing—and recovering—their way through an extraordinary range of financial crises. Each time, the experts have chimed, “this time is different”—claiming that the old rules of valuation no longer apply and that the new situation bears little similarity to past disasters. This book proves that premise wrong. Covering sixty-six countries across five continents, *This Time Is Different* presents a comprehensive look at the varieties of financial crises, and guides us through eight astonishing centuries of government defaults, banking panics, and inflationary spikes—from medieval currency debasements to today’s subprime catastrophe.

Carmen M. Reinhart is professor of economics at the University of Maryland. Kenneth S. Rogoff is the Thomas D. Cabot Professor of Public Policy and professor of economics at Harvard University.

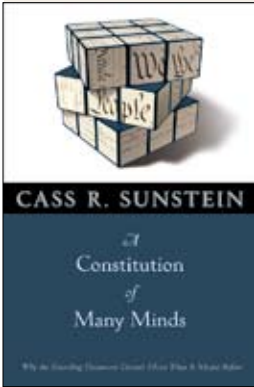

November 2009. 400 pages. 62 line illus. 30 tables.

## A Constitution of Many Minds

Why the Founding Document Doesn't Mean What It Meant Before

Cass R. Sunstein

"Sunstein presents an elegant and fascinating argument, and he consistently tries to play fair with the views he is assessing. He covers many areas and has provocative things to say about them. *A Constitution of Many Minds* is a fine book that is sure to provoke much discussion."

—Sanford Levinson, author of *Our Undemocratic Constitution*

The future of the U.S. Supreme Court hangs in the balance like never before. Will conservatives or liberals succeed in remaking the court in their own image? In *A Constitution of Many Minds*, acclaimed law scholar Cass Sunstein proposes a bold new way of interpreting the Constitution, one that respects the Constitution's text and history but also refuses to view the document as frozen in time.

Cass R. Sunstein is the Felix Frankfurter Professor at Harvard Law School.

2009. 240 pages.  
 Cl: 978-0-691-13337-9 \$27.95 | £19.95

New Paperback

## Republic.com 2.0

Cass R. Sunstein

"*Republic.com 2.0* is a refreshing counter to overly optimistic perspectives on the internet and democracy, and Sunstein turns Utopian visions of the internet enabling individuals to gain access to exactly what they are interested in—'The Daily Me'—into a critical assessment of its potential for undermining democratic discourse."

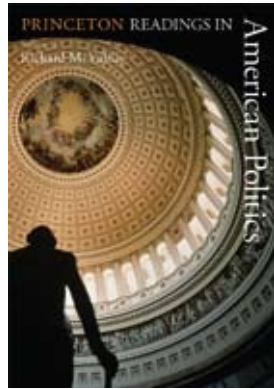

—William Dutton, *Times Higher Education*

2009. 272 pages. 2 tables.

## Princeton Readings in American Politics

Edited by Richard M. Valelly

"The selection of articles in this reader is simply superb. The readings correspond with the breadth of topics covered in major introductory textbooks, and will generate much discussion and insight. This

book offers a wonderfully fulfilling opportunity to think about the richer implications of our system of government."

—Andrea Campbell, Massachusetts Institute of Technology

*Princeton Readings in American Politics* offers an exciting and challenging new way to learn about American politics. It brings together political science that has stood the test of time and recent cutting-edge analyses to acquaint undergraduate and graduate students with the substantive, conceptual, and methodological foundations they need to make sense of American politics today.

Rigorous yet accessible, *Princeton Readings in American Politics* can serve as a primary textbook or as a supplement to standard introductory texts.

Richard M. Valelly is the Claude C. Smith '14 Professor of Political Science at Swarthmore College.

2009. 656 pages. 45 line illus. 43 tables. 1 map.  
 Pa: 978-0-691-12472-8 \$45.00 | £30.95

## Taming the Beloved Beast

How Medical Technology Costs Are Destroying Our Health Care System

Daniel Callahan

“An extraordinarily clear and important contribution. Callahan argues that many new medical technologies yield only very marginal benefits relative to their high costs for the majority of those who receive them. This book should be of interest to

everyone who is involved in any way with health care policy and health reform issues.”

—Leonard M. Fleck, Michigan State University

Daniel Callahan is senior researcher and president emeritus at the Hastings Center, which he cofounded, and an elected member of the Institute of Medicine of the National Academy of Sciences.

2009. 280 pages. 1 table.

Cl: 978-0-691-14236-4 \$29.95 | £20.95

## Racial Justice in the Age of Obama

Roy L. Brooks

“Roy Brooks provides savvy and succinct analyses of contending civil rights theories in the Obama era. Comparing understandings of and solutions for U.S. structures of racism, Brooks fairly but provocatively dissects traditionalism, reformism, separatism, and critical race theory, to offer the best evaluative summary yet of contemporary civil rights thinking.”

—Joe R. Feagin, author of *Systemic Racism: A Theory of Oppression*

With the election of Barack Obama as the first black president of the United States, the issue of racial justice in America occupies center stage. Have black Americans finally achieved racial justice?

Roy L. Brooks is Warren Distinguished Professor of Law at the University of San Diego.

2009. 264 pages. 100 line illus

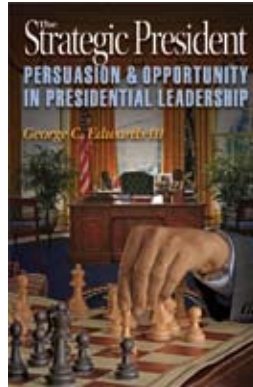

Cl: 978-0-691-14198-5 \$27.95 | £19.95

New

## The Strategic President

Persuasion and Opportunity in Presidential Leadership

George C. Edwards III

“*The Strategic President* speaks to all those who still believe in the magic of presidential leadership and who still put their faith in the power of political persuasion. The book is everything we have come to expect from George Edwards: strong,

clear, consistent, and sober. Taking on the great leaders as well as the mediocre ones, Edwards shows that context determines the boundaries of possibility, and that the skills needed to get things done are those that address the situation as it is and exploit what opportunities it affords.”

—Stephen Skowronek, Yale University

George C. Edwards III is a Distinguished Professor of Political Science and the Jordan Chair in Presidential Studies at Texas A&M University.

2009. 272 pages. 18 tables.

Cl: 978-0-691-13947-0 \$29.95 | £20.95

## When Brute Force Fails

How to Have Less Crime and Less Punishment

Mark A. R. Kleiman

“This book is destined to be a classic. There have been few new ideas for how to implement deterrence and this book is a fresh start at tackling the problem. It reads beautifully and is one of the most innovative and original contributions to the

crime-control debate in a decade or more.”

—Robert J. MacCoun, University of California, Berkeley

Since the crime explosion of the 1960s, the prison population in the United States has multiplied fivefold, to one prisoner for every hundred adults—a rate unprecedented in American history and unmatched anywhere in the world. Even as the prisoner head count continues to rise, crime has stopped falling, and poor people and minorities still bear the brunt of both crime and punishment. *When Brute Force Fails* explains how we got into the current trap and how we can get out of it: to cut both crime and the prison population in half within a decade.

Brute-force crime control has been a costly mistake, both socially and financially. Now that we know how to do better, it would be immoral not to put that knowledge to work.

Mark A. R. Kleiman is professor of public policy at the University of California, Los Angeles.

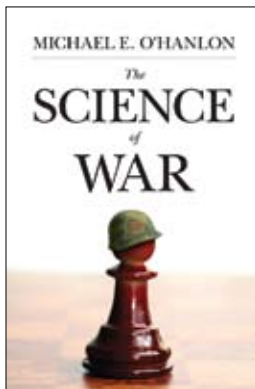

2009. 256 pages. 12 line illus. 2 tables.  
Cl: 978-0-691-14208-1 \$29.95 | £20.95

## The Science of War

Defense Budgeting, Military Technology, Logistics, and Combat Outcomes

Michael E. O'Hanlon

“Timely, thoughtful, and full of insight. A signal contribution to the field.”

—General David H. Petraeus, U.S. Army

The U.S. military is one of the largest and most complex organizations in the world. How it spends its money,

chooses tactics, and allocates its resources have enormous implications for national defense and the economy. *The Science of War* is the only comprehensive textbook on how to analyze and understand these and other essential problems in modern defense policy.

Michael O'Hanlon provides undergraduate and graduate students with an accessible yet rigorous introduction to the subject. Drawing on a broad range of sources and his own considerable expertise as a defense analyst and teacher, he describes the analytic techniques the military uses in every crucial area of military science. O'Hanlon explains how the military budget works, how the military assesses and deploys new technology, develops strategy and fights wars, handles the logistics of stationing and moving troops and equipment around the world, and models and evaluates battlefield outcomes. His modeling techniques have been tested in Iraq and Afghanistan, including the methods he used to predict higher-than-anticipated troop fatalities in Iraq—controversial predictions that have since been vindicated.

Michael E. O'Hanlon is a senior fellow at the Brookings Institution who specializes in national security policy.

2009. 280 pages. 4 graphs. 12 tables.  
Cl: 978-0-691-13702-5 \$35.00 | £24.95

## The Godfather Doctrine

A Foreign Policy Parable

John C. Hulsman & A. Wess Mitchell

“When it comes to American statecraft, the imperative of the moment is to think anew. In that regard, John Hulsman and Wess Mitchell perform a dual service. They persuasively demonstrate just how tired the existing foreign policy

debate has become. And their *Godfather Doctrine* offers an alternative that is as provocative as it is entertaining.”

—Andrew J. Bacevich, author of *The Limits of Power: The End of American Exceptionalism*

John C. Hulsman is the Alfred von Oppenheim Scholar in Residence at the German Council on Foreign Relations in Berlin. A. Wess Mitchell is cofounder and director of research at the Center for European Policy Analysis (CEPA) in Washington, D.C.

2009. 96 pages.

## The Cognitive Challenge of War

Prussia 1806

Peter Paret

“Peter Paret is one of the very few scholars capable of addressing what he calls the cognitive challenge of war—the sad fact that those who wage war are often surprised by its unintended consequences and baffled by its dynamic range. This graceful and nuanced book should stand as a classic study of this problem.”

—John Shy, University of Michigan

Responding to the enemy’s innovation in war presents problems to soldiers and societies of all times. This book traces Napoleon’s victory over Prussia in 1806 and Prussia’s effort to recover from defeat to show how in one particular historical episode operational analyses together with institutional and political decisions eventually turned defeat to victory.

Peter Paret is professor emeritus at the Institute for Advanced Study.

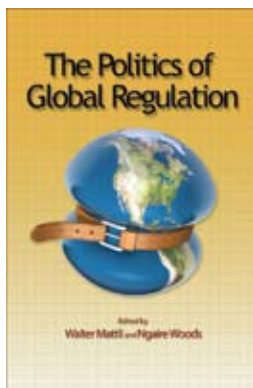

2009. 184 pages. 8 halftones.

Cl: 978-0-691-13581-6 \$22.95 | £15.95

## On Compromise and Rotten Compromises

Avishai Margalit

"This book will stimulate wide discussion because compromise—when to make them, when to resist them—is a vital subject in political life, and because Avishai Margalit is universally respected for his analytical skills and moral discernment."

—Michael Ignatieff, author of *The Lesser Evil: Political Ethics in an Age of Terror*

Examining a wide range of examples, including the Munich Agreement, the Yalta Conference, and Arab-Israeli peace negotiations, Avishai Margalit provides a searching examination of the nature of political compromise in its various forms. Combining philosophy, politics, and history, and written in a vivid and accessible style, *On Compromise and Rotten Compromises* is full of surprising new insights about war, peace, justice, and sectarianism.

Avishai Margalit is professor emeritus of philosophy at the Hebrew University of Jerusalem, and a professor at the Institute for Advanced Study in Princeton.

November 2009. 232 pages.  
Cl: 978-0-691-13317-1 \$26.95 | £18.95

### New Paperback

## The Message Matters

The Economy and Presidential Campaigns

Lynn Vavreck

“Vavreck’s creative theorizing and informative historical analysis will change the way political scientists think about presidential campaigns. While giving campaign strategists their overdue due, she also sheds invaluable light on how

political contexts shape their strategies and their odds of success.”

—Larry M. Bartels, author of *Unequal Democracy*

The economy is so powerful in determining the results of U.S. presidential elections that political scientists can predict winners and losers with amazing accuracy long before the campaigns start. But if it is true that “it’s the economy, Stupid,” why do incumbents in good economies sometimes lose? The reason, Lynn Vavreck argues, is that what matters is not just the state of the economy but how candidates react to it. By demonstrating more precisely than ever before how candidates and their campaigns affect the economic vote, *The Message Matters* provides a powerful new way of understanding past elections—and predicting future ones.

Lynn Vavreck is associate professor of political science at the University of California, Los Angeles.

2009. 232 pages. 28 line illus. 39 tables.  
Pa: 978-0-691-13963-0 \$24.95 | £16.95

## The Great American Mission

Modernization and the Construction of an American World Order

David Ekbladh

"Cogent and compelling. *The Great American Mission* illuminates for the first time how the central characteristics of America's modernization project in the Cold War came together in the prewar period. Carefully tracing ideas, institutions, and individuals from the Depression to the heyday of development, Ekbladh offers new insights into the distinctive components of American modernization efforts abroad."

—David C. Engerman, Brandeis University

*The Great American Mission* traces how America's global modernization efforts during the twentieth century were a means to remake the world in its own image. David Ekbladh shows that the emerging concept of modernization combined existing development ideas from the Depression. He describes how ambitious New Deal programs like the Tennessee Valley Authority became symbols of American liberalism's ability to marshal the social sciences, state planning, civil society, and technology to produce extensive social and economic change. For proponents, it became a valuable weapon to check the influence of menacing ideologies such as Fascism and Communism.

David Ekbladh is assistant professor of history at Tufts University.

*America in the World*

## Our Army

Soldiers, Politics, and American Civil-Military Relations

Jason K. Dempsey

"Interesting and important. Dempsey presents a wealth of original survey data on the views of army personnel. He shows that soldiers hold views that are not dramatically different from those of the American people as a whole, but that differences between officers and the general public exist on many issues. Dempsey points to the dangers of having the military aligned to one political party."

—Ole R. Holsti, Duke University

Conventional wisdom holds that the American military is overwhelmingly conservative and Republican, and extremely political. *Our Army* paints a more complex picture, demonstrating that while army officers are likely to be more conservative, rank-and-file soldiers hold political views that mirror those of the American public as a whole, and army personnel are less partisan and politically engaged than most civilians.

Jason K. Dempsey is a major in the U.S. Army and is currently serving in Afghanistan. He has a PhD in political science from Columbia University and is a graduate of the United States Military Academy.

January 2010. 280 pages. 20 line illus. 52 tables.

## Citizens, Courts, and Confirmations

Positivity Theory and the Judgments of the American People  
James L. Gibson &  
Gregory A. Caldeira

"In this exceptionally well-crafted book, Gibson and Caldeira assess changes in the way the media can influence public support for the Supreme Court. This pathbreaking book is every bit as careful, rigorous, and important as we would expect work

by these esteemed authors to be."

—Jeffrey Segal, Stony Brook University, State University of New York

James L. Gibson is the Sidney W. Souers Professor of Government at Washington University in St. Louis. Gregory A. Caldeira holds the Ann and Darrell Dreher Chair in Political Communication and Policy Thinking at Ohio State University.

2009. 200 pages. 7 line illus. 29 tables.

## Souled Out

Reclaiming Faith and Politics after the Religious Right

E. J. Dionne Jr.

"[*Souled Out*] is a deeply personal and searchingly intelligent reflection on the noble history, recent travails and likely prospects of American liberalism."  
—R. Scott Appleby,  
*New York Times Book Review*

E. J. Dionne Jr. is a syndicated columnist for the *Washington Post*, a regular political analyst on National Public Radio, a senior fellow at the Brookings Institution, and a professor at Georgetown University.

November 2009. 264 pages.

Pa: 978-0-691-14329-3

\$17.95 | £12.50

Cl: 978-0-691-13458-1

\$24.95 | £16.95

## Religion in American Politics

A Short History

Frank Lambert

"Lambert's short history is long on insights into the fraught relationship between religion and politics in American life. Judicious in its balance, the book provides a compendious overview of the current conflicts that divide Right from Left, and it deepens

our understanding of those struggles by grounding them in the repeated contests between Christian and secular visions of the republic."

—Leigh E. Schmidt, Princeton University

2008. 304 pages.

## The Princeton Encyclopedia of American Political History

Edited by Michael Kazin

Rebecca Edwards & Adam Rothman, associate editors

"I can think of no better introduction to American politics than *The Princeton Encyclopedia of American Political History*. The editors, led by the distinguished historian Michael Kazin, have done a superb job of balancing traditional and innovative approaches to their subject and in assembling essays that are authoritative, insightful, and accessible. This work will quickly become an indispensable guide to the political institutions, ideas, issues, and movements that have shaped and sometimes convulsed the United States across its history. A major accomplishment."

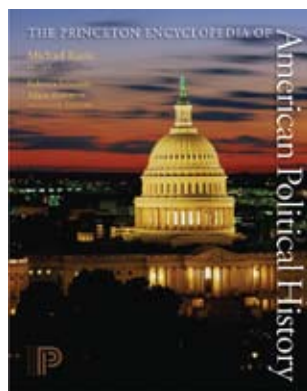

—Gary Gerstle, Vanderbilt University

Michael Kazin is professor of history at Georgetown University. Rebecca Edwards is the Eloise Ellery Professor of History at Vassar College. Adam Rothman is associate professor of history at Georgetown University.

January 2010. 992 pages. 44 halftones. 3 line illus. 8 tables. 7 maps.

Two-Volume Cloth Set: 978-0-691-12971-6

## Fighting for Democracy

Black Veterans and the Struggle Against White Supremacy in the Postwar South

Christopher S. Parker

*"Fighting for Democracy offers a strikingly new and important analysis of the relationship between African Americans' military service and the sources of the civil rights movement. It puts forth a highly original and fascinating argument, one*

*that emanates theoretical sophistication, strong empirical underpinnings, and analytical astuteness."*  
—Suzanne Mettler, Cornell University

Christopher S. Parker is assistant professor of political science at the University of Washington, Seattle.

2009. 288 pages. 13 line illus. 14 tables.  
Pa: 978-0-691-14004-9 \$24.95 | £16.95  
Cl: 978-0-691-14003-2 \$60.00 | £41.95

## Why We Vote

How Schools and Communities Shape Our Civic Life

David E. Campbell

*"Campbell ... argues that voter turnout is affected not only by people's desire to protect their own interests—the view traditionally taken by political scientists—but by their feelings of civic obligation as well."*

—*Education Week*

2008. 288 pages. 31 line illus. 35 tables.  
Pa: 978-0-691-13829-9 \$22.95 | £15.95

New

Winner of the 2008 President's Book Award, Social Science History Association

## The Fifth Freedom

Jobs, Politics, and Civil Rights in the United States, 1941–1972

Anthony S. Chen

*"The Fifth Freedom is a masterpiece—a brilliant new take on the history of equal opportunity in America. Chen combines the best traditions of history, sociology, and political science to explain the decades-long effort to bring equal protection to the*

*workplace. This gripping account not only charts the long struggle against workplace discrimination, it explains the origins of our ineffectual system of enforcement."*

—Frank Dobbin, Harvard University

Anthony S. Chen is associate professor of sociology and public policy at the University of Michigan.

2009. 424 pages. 9 halftones. 8 line illus. 19 tables.  
Pa: 978-0-691-13953-1 \$24.95 | £16.95  
Cl: 978-0-691-13457-4 \$65.00 | £44.95

## Why Is There No Labor Party in the United States?

Robin Archer

*"This is a profound and searching study based on primary research that applies an entirely new perspective to the intriguing absence of an American labor party. Archer ... leaves virtually no stone unturned in his search for an answer."*

—Michael Freeden, University of Oxford

2008. 368 pages. 8 line illus. 14 tables.  
Cl: 978-0-691-12701-9 \$38.50 | £26.95

New

## The Myth of Digital Democracy

Matthew Hindman

“Hindman’s approach provides an extensive and multifaceted view of online political content, its producers, and its audiences. This book breaks new ground in important ways, and is likely to become a modern classic in the field of the

Internet and politics.”

—Diana Owen, Georgetown University

*The Myth of Digital Democracy* debunks popular notions about political discourse in the digital age, revealing how the Internet has neither diminished the audience share of corporate media nor given greater voice to ordinary citizens.

Matthew Hindman is assistant professor of political science at Arizona State University.

2008. 200 pages. 9 line illus. 20 tables.  
Pa: 978-0-691-13868-8 \$22.95 | £15.95

**Richard Nixon**  
Speeches, Writings, Documents  
**Edited and introduced by  
Rick Perlstein**

The first book to present America's most controversial president in his own words across his entire career, this unique collection of Richard Nixon's most important writings dramatically demonstrates why he has had such a profound impact on American life. This volume gathers everything from schoolboy letters to geostrategic manifestos and Oval Office transcripts to create a fascinating portrait of Nixon, one that is enriched by an extensive introduction in which Rick Perlstein puts forward a major reinterpretation of the thirty-seventh president's rise and fall.

2008. 368 pages.  
Pa: 978-0-691-13699-8 \$18.95 | £12.95

With a new foreword by *George F. Will*, a  
new introduction by Sean Wilentz, and a  
new afterword by *Robert F. Kennedy, Jr.*

**The Conscience of a  
Conservative**  
**Barry M. Goldwater**  
**Edited by CC Goldwater**

Praise for the original edition:

"Sen. Goldwater is one of a handful of authentic conservatives. . . . [H]e has the clarity of courage and the courage of clarity."  
—George Morgenstern, *Chicago Tribune*

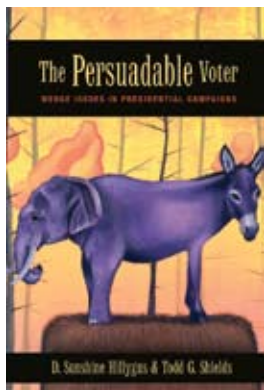

2007. 176 pages.  
Pa: 978-0-691-13117-7 \$14.95 | £10.95

New Paperback

## The Persuadable Voter

Wedge Issues in Presidential Campaigns

D. Sunshine Hillygus & Todd G. Shields

"[P]ath-breaking. . . . The authors' novel approach to identifying both persuadable voters and effective micro-targeting techniques provides the most powerful evidence for their argument. *The Persuadable Voter* reminds us that,

overall, the outcome of elections and the face of politics hinge on the ability of parties, candidates, and voters to adapt to each other and to the changing nature of political appeals."

—David A. M. Peterson, *Science*

D. Sunshine Hillygus is associate Professor of Political Science at Duke University. Todd G. Shields is professor of political science at the University of Arkansas and director of the Diane D. Blair Center for Southern Politics and Society.

2009. 280 pages. 21 line illus. 17 tables.

Pa: 978-0-691-14336-1 \$22.95 | £15.95

Cl: 978-0-691-13341-6 \$45.00 | £30.95

Cl: 978-0-691-13927-2 \$27.95 | £19.95

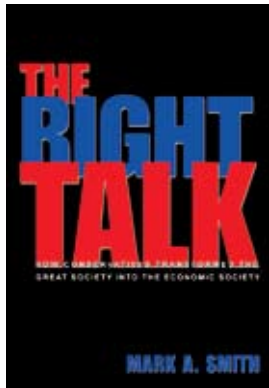

New Paperback

## The Right Talk

How Conservatives Transformed the Great Society into the Economic Society

Mark A. Smith

"*The Right Talk* is a brilliant, provocative, well-written, and well-argued scholarly work."  
—Philip C. Wander and Jay Busse, *Rhetoric Review*

Conventional wisdom attributes the Republican resurgence to

a political bait and switch—the notion that conservatives win elections on social issues like abortion and religious expression, but once in office implement policies based on the economic issues downplayed during campaigns. Smith instead illuminates the eye-opening reality that economic matters have become more, not less, central to campaigns and the public agenda. He analyzes a half century of speeches, campaign advertisements, party platforms, and intellectual writings to support this claim. *The Right Talk* brings clarity, reason, and evidence to a contentious subject, and is certain to provoke discussions and reactions for years to come.

Mark A. Smith is associate professor of political science and adjunct professor of communication at the University of Washington.

2009. 280 pages. 5 line illus. 8 tables.  
Pa: 978-0-691-14100-8 \$19.95 | £13.95

New Paperback

Winner of the 2008 Best Book Award, Human Rights Section, American Political Science Association

## Torture and Democracy

Darius Rejali

"[A] magisterial study of torture and how it has developed as a social and moral issue with a focus on developments through the last century."  
—Scott Horton, *Harper's Magazine*

This is the most comprehensive,

and most chilling, study of modern torture yet written. Darius Rejali, one of the world's leading experts on torture, takes the reader on an eye-opening tour of the Western world from the late nineteenth century to the aftermath of Abu Ghraib. As Rejali traces the development and application of torture techniques, he shows that democracies not only engaged in torture, they also invented some of the most gruesome modern methods.

Darius Rejali is professor of political science at Reed College.

2009. 880 pages. 1 halftone. 9 tables.  
Pa: 978-0-691-14333-0 \$29.95 | £20.95

## Power, Interdependence, and Nonstate Actors in World Politics

Edited by Helen V. Milner & Andrew Moravcsik

“[T]his is a book of exceptional intellectual coherence and vigor. A large number of Keohane’s distinguished former students here celebrate his seminal contribution to the field of international relations and international political economy.

The chapters explore and exemplify his widely recognized and cited institutionalist framework. The volume is a testimony to the undiluted impact Keohane’s scholarship continues to have on legions of students and colleagues.”

—Peter Katzenstein, Cornell University

Helen V. Milner is the B. C. Forbes Professor of Politics and International Affairs at Princeton University. Andrew Moravcsik is professor of politics and international affairs, and director of the European Union Program, at the Woodrow Wilson School, Princeton University.

2009. 320 pages. 6 halftones. 2 line illus. 14 tables.  
Pa: 978-0-691-14028-5 \$29.95 | £20.95  
Cl: 978-0-691-14027-8 \$70.00 | £48.95

## World Out of Balance

### International Relations and the Challenge of American Primacy

Stephen G. Brooks & William C. Wohlforth

“If the United States is the most powerful state the world has seen, what constrains or disciplines its security pursuits? In this important book, Brooks and Wohlforth survey the leading schools of thought looking for answers.”

—*Foreign Affairs*

2008. 248 pages. 4 line illus. 11 tables.  
Pa: 978-0-691-13784-1 \$22.95 | £15.95  
Cl: 978-0-691-12699-9 \$65.00 | £44.95

New

## How Wars End

Dan Reiter

“A very fine book. *How Wars End* is the first serious attempt to integrate the information and commitment perspectives on war termination, and the first book that I am aware of to focus so systematically on the connection between war termination and war aims. It is hard to imagine how any course with a substantial focus on rationalist explanations of war could neglect to assign this book.”

—Benjamin Valentino, Dartmouth College

Why do some countries choose to end wars short of total victory while others fight on, sometimes in the face of appalling odds? *How Wars End* argues that two central factors shape war-termination decision making: information about the balance of power and the resolve of one’s enemy, and fears that the other side’s commitment to abide by a war-ending peace settlement may not be credible.

Dan Reiter is professor and chair of political science at Emory University.

2009. 320 pages. 3 halftones. 5 line illus. 1 table.  
Pa: 978-0-691-14060-5 \$26.95 | £18.95  
Cl: 978-0-691-14059-9 \$65.00 | £44.95

## Securing the Peace

### The Durable Settlement of Civil Wars

Monica Duffy Toft

“This well-researched book makes an incredibly important contribution to our understanding of civil war termination and recurrence. While we have known for some time that military victory leads to more decisive and lasting cessations of violence, it was not clear why. Toft addresses these questions and persuasively demonstrates that the key to long-lasting peace lies in the reform of the security sector.”

—Stephen Saideman, McGill University

Monica Duffy Toft is associate professor of public policy at the John F. Kennedy School of Government, Harvard University.

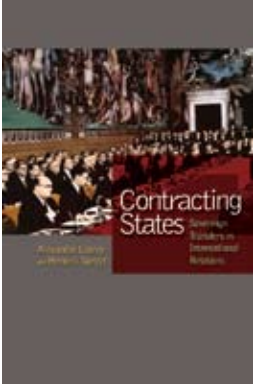

January 2010. 240 pages. 3 halftones. 3 line illus. 13 tables.  
Pa: 978-0-691-14146-6 \$24.95 | £16.95  
Cl: 978-0-691-14145-9 \$65.00 | £44.95

American Public Opinion and Casualties in Military Conflicts

**Christopher Gelpi, Peter D. Feaver & Jason Reifler**

*“This is a superb, profound, and most timely study of wartime opinion. It offers a compelling antidote to the conventional wisdom that popular support for military missions inevitably collapses with rising casualties. The wide historical sweep*

*along with rigorous statistical tests places this work in a class by itself.”*

—Helmut Norpoth, Stony Brook University

Christopher Gelpi is professor of political science at Duke University. Peter D. Feaver is the Alexander F. Hehmeyer Professor of Political Science and Public Policy at Duke University. Jason Reifler is assistant professor of political science at Georgia State University.

2009. 304 pages. 13 line illus. 48 tables.

## No Enchanted Palace

The End of Empire and the Ideological Origins of the United Nations

Mark Mazower

"This is a sprawling tale told with great energy, verve, and insight. . . . *No Enchanted Palace* will be a much discussed volume in what is likely to be a continuing debate over the future of the United Nations."

—Sunil Khilnani, author of *The Idea of*

India

Mark Mazower is the Ira D. Wallach Professor of History and World Order Studies at Columbia University.

November 2009. 232 pages.

Cl: 978-0-691-13521-2 \$24.95 | £16.95

New

## Island of Shame

The Secret History of the U.S. Military Base on Diego Garcia

David Vine

"Until I read this book, why had I heard almost nothing about the Chagossians? Their forced relocation from Diego Garcia is a disgraceful violation of human rights that should be far better known. I hope that David Vine's painstakingly researched account is widely read, and that it makes its readers furious."

—Anne Fadiman, author of *The Spirit Catches You and You Fall Down*

David Vine is assistant professor of anthropology at American University in Washington, D.C.

2009. 288 pages. 12 halftones. 2 tables. 4 maps.

Cl: 978-0-691-13869-5 \$29.95 | £20.95

*The author will donate all royalties from the sale of this book to the Chagossians.*

## The Other Alliance

Student Protest in West Germany and the United States in the Global Sixties

Martin Klimke

"The book's execution is impressive and the research is breathtaking: meticulous work in archives, numerous interviews with key figures, and comprehensive readings of the secondary literature. Klimke uncovers all kinds of links between the American and West German student movements; contextualizes these within social movement theory and other models; and teaches readers a great deal about the American and West German New Left and the rebellions of 1968. This book is clearly a labor of immense passion, discipline, intelligence, and insight."

—Jeremy Varon, Drew University

Martin Klimke is a research fellow at the Heidelberg Center for American Studies at the University of Heidelberg and a visiting fellow at the German Historical Institute in Washington, DC.

*America in the World*

February 2010. 352 pages. 30 halftones. 3 line illus.

## The Struggle for Power in Early Modern Europe

Religious Conflict, Dynastic Empires, and International Change

Daniel H. Nexon

"In its depth of theoretical insight and subtlety of reasoning, few recent books in international relations and history rival what Daniel Nexon has accomplished in this impressive piece of scholarship."

—Peter J. Katzenstein, Cornell University

"Daniel Nexon has woven a magisterial account of the impact of the Reformation on international politics. Using network theory and institutionalist analysis, he deftly crafts a multifaceted theory that is relevant not only to the understanding of international change but also to the study of composite polities, empires, and nation-states. His study, furthermore, suggests how religion and institutional change can braid together to produce fundamental challenges to the existing international order. In so doing, he not only provides insights into the past but illuminates contemporary processes as well."

—Hendrik Spruyt, Northwestern University

Daniel H. Nexon is assistant professor of government and foreign service at Georgetown University.

2009. 408 pages. 7 halftones. 5 line illus. 1 table. 11 maps.  
Pa: 978-0-691-13793-3 \$29.95 | £20.95

1989

The Struggle to Create Post-Cold War Europe

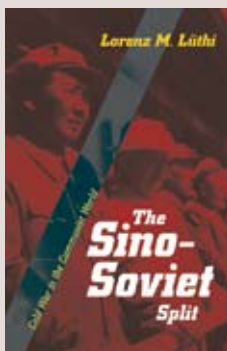

Mary Elise Sarotte

See page 1 for details.

## The Sino-Soviet Split

Cold War in the Communist World

Lorenz M. Lüthi

"Buttressed by massive documentation from a dazzling array of international archival sources, Lorenz Lüthi examines all the issues involved in the Sino-Soviet conflict from 1956 to 1966, and he singles out ideology as the prime motive that drove these two

communist giants into catastrophic division. The episodes covered in this major work unfold like a kaleidoscope, refining or correcting traditional interpretations of events during this important period."

—Toshi Hasegawa, University of California, Santa Barbara

2008. 400 pages. 3 tables.  
Pa: 978-0-691-13590-8 \$30.95 | £21.95

## Unanswered Threats

Political Constraints on the Balance of Power

Randall L. Schweller

"The book focuses largely on 'underbalancing', or on why certain types of states fail to employ balance-of-power strategies. The answer is domestic politics. . . . The book is a clear blend of realism and idealism. . . . A superb book worthy of a wide readership."

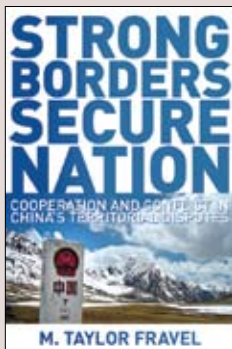

—Charles F. Doran, *International History Review*

2008. 200 pages. 1 halftone. 10 tables.  
Pa: 978-0-691-13646-2 \$25.95 | £17.95  
Cl: 978-0-691-12425-4 \$50.00 | £34.95

## Strong Borders, Secure Nation

Cooperation and Conflict in China's Territorial Disputes

M. Taylor Fravel

"Fravel has given us a compelling and comprehensive account of why China has generally compromised in its territorial disputes with its neighbors rather than resort to force. In the process, he has made significant advances in both international relations

theory and Chinese foreign policy."

—Robert J. Art, Brandeis University

2008. 408 pages. 7 line illus. 7 tables. 16 maps.

Pa: 978-0-691-13609-7 \$27.95 | £19.95

## Economists and Societies

Discipline and Profession in the United States, Britain, and France, 1890s to 1990s

Marion Fourcade

“*Economists and Societies* is an eye-opener for economists. A study of the sociological reasons why economists do what they do, it shows that economists in the United States, Britain, and France has very different orientations. Fourcade demon-

strates irrefutably that economists are as much influenced by where they are located as by their supposed adherence to ‘scientific method.’ This is a revolutionary book.”

—George A. Akerlof, Nobel Laureate in Economics

Marion Fourcade is assistant professor of sociology at the University of California, Berkeley.

*Princeton Studies in Cultural Sociology*

2009. 384 pages. 18 halftones. 6 tables.

## Emergency Politics

Paradox, Law, Democracy

Bonnie Honig

"This is an exciting book."

—Jill Frank, University of South Carolina

Bonnie Honig is the Sarah Rebecca Roland Professor of Political Science at Northwestern University and a senior research professor at the American Bar Foundation in Chicago.

2009. 224 pages.  
Cl: 978-0-691-14298-2 \$26.95 | £18.95

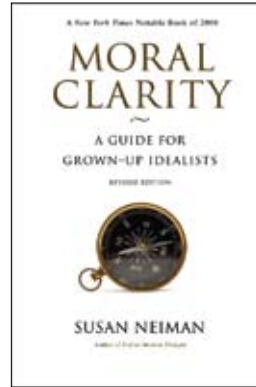

A 2008 *New York Times* Notable Book

*New Revised Edition*

## Moral Clarity

A Guide for Grown-Up Idealists

Susan Neiman

"Deep and important. . . Neiman's particular skill lies in expressing sensitivity, intelligence and moral seriousness without any hint of oversimplification, dogmatism or misplaced piety. She clearly and unflinchingly sees life as it is, but also sees how it

might be, and could be, if we recaptured some of the hopes and ideals that currently escape us."

—Simon Blackburn, *New York Times*

In this thoroughly updated edition, Neiman reflects on how the moral language of the 2008 presidential campaign has opened up new political and cultural possibilities in America and beyond.

Susan Neiman is director of the Einstein Forum.

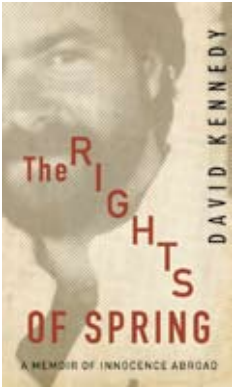

2009. 480 pages.

## The Rights of Spring

A Memoir of Innocence Abroad

David Kennedy

“This is an astonishing essay. In part literature, in part philosophy and social theory, it combines critical self-observation with razor-sharp analysis of Western humanitarian activism abroad. Human rights will never be the same. The essay has already achieved cult status among a

small circle of activists; its publication for wider audiences is a cause for celebration.”

—Martti Koskeniemi, author of *The Gentle Civilizer of Nations: The Rise and Fall of International Law, 1870–1960*

David Kennedy is vice president for international affairs at Brown University and holds chairs in law at both Brown and Harvard Law School.

2009. 118 pages.

## Liberal Loyalty

Freedom, Obligation, and the State

Anna Stilz

“Stilz offers a provocative and original answer to some very old questions about political obligation. Her great contribution is to provide a new conception of solidarity—a missing value in most liberal conceptions—basing it on an individualist theory of collective intentions.”

—John Ferejohn, Stanford University

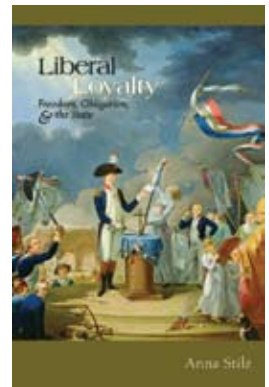

Many political theorists today deny that citizenship can be defended on liberal grounds alone. Cosmopolitans claim that loyalty to a particular state is incompatible with universal liberal principles, which hold that we have equal duties of justice to persons everywhere, while nationalist theorists justify civic obligations only by reaching beyond liberal principles and invoking the importance of national culture. In *Liberal Loyalty*, Anna Stilz challenges both views by defending a distinctively liberal understanding of citizenship.

Anna Stilz is assistant professor of politics at Princeton University.

2009. 264 pages. 1 table.

## How Do You Know?

The Economics of Ordinary Knowledge

Russell Hardin

“This book develops a general, economic theory of ordinary knowledge and applies it to many different kinds of knowledge and belief, providing a clear and convincing view of many of the world’s problems, such as fanaticism and nationalism. A significant contribution that will be useful to readers in many different fields, *How Do You Know?* is also beautifully written and a pleasure to read.”

—Jonathan Baron, University of Pennsylvania

Russell Hardin is professor of politics at New York University.

2009. 240 pages.

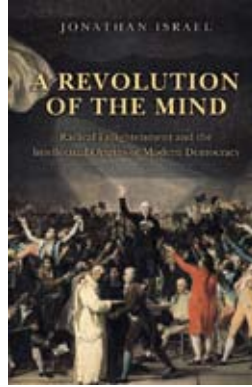

Cl: 978-0-691-13755-1 \$35.00 | £24.95

## A Revolution of the Mind

Radical Enlightenment and the Intellectual Origins of Modern Democracy

Jonathan Israel

“This book succeeds beautifully. Written with confidence and concision, it lays out Jonathan Israel’s central ideas about the Radical Enlightenment and its fundamental importance in shaping the values of democratic modernity. Those who

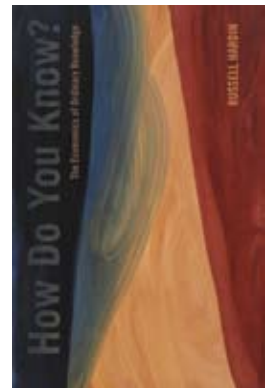

already know his work will find a clear and bold statement of his principal arguments, as well as important elaborations and expansions. Those unfamiliar with his scholarship will get a masterful introduction to the work of one of the leading Enlightenment scholars in the world today.”

—Darrin M. McMahon, Florida State University

Jonathan Israel is professor of modern history at the Institute for Advanced Study in Princeton.

February 2010. 264 pages.

Cl: 978-0-691-14200-5 \$26.95 | £18.95

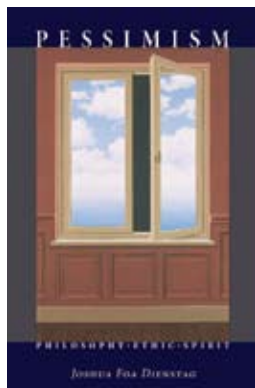

## New Paperback

Winner of the 2006 Award for Best Professional/Scholarly Book in Philosophy, Association of American Publishers

## Pessimism

Philosophy, Ethic, Spirit

Joshua Foa Dienstag

“Mr. Dienstag aims to rescue pessimism from the philosophical sidelines, where it has been shunted by optimists of all ideologies. The book is seductive, because pessimists are generally more engaging and entertaining than optimists, and because, as the author notes, ‘the world keeps delivering bad news.’”

—Adam Cohen, *New York Times*

Joshua Foa Dienstag is professor of political science at the University of California, Los Angeles.

2009. 336 pages.

## Treason in the Northern Quarter

War, Terror, and the Rule of Law in the Dutch Revolt

Henk van Nierop

Translated by J. C. Grayson

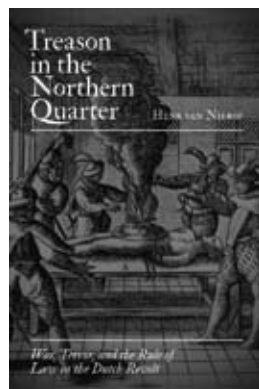

"*Treason in the Northern Quarter* is an impressive study that presents the true nature of the Dutch Revolt and the horror that civil war and revolution bring to ordinary people."

—Geoffrey Parker, Ohio State University

An enthralling account of an unsuspected story with surprising modern resonance, *Treason in the Northern Quarter* presents a new image of the Dutch Revolt, one that will fascinate anyone interested in the nature of revolution and civil war or the fate of law during wartime.

Henk van Nierop is professor of early modern history at the University of Amsterdam.

December 2009. 304 pages. 15 halftones. 2 maps.  
Cl: 978-0-691-13564-9 \$39.95 | £27.95

New Paperback

With a new introduction by the author

## The Therapy of Desire

Theory and Practice in Hellenistic Ethics

Martha C. Nussbaum

"By turns wise and witty, silly and Socratic, critical and compassionate, Nussbaum proves to be an extraordinarily addictive literary companion. . . . This is a book to live with."

—Peter Green, *New Republic*

Martha C. Nussbaum is the Ernst Freund Distinguished Service Professor of Law and Ethics at the University of Chicago, and holds appointments in the Law School, Philosophy Department, and Divinity School.

2009. 584 pages.  
Pa: 978-0-691-14131-2 \$29.95 | £20.95

Forthcoming

## Machiavelli's Ethics

Erica Benner

"*Machiavelli's Ethics* is a superb scholarly book. Erica Benner does truly impressive work in analyzing Machiavelli's views on the most fundamental ethical issues—including necessity and virtue, justice and injustice, and ends and means. She shows, with very solid evidence, that Machiavelli did in fact worry a lot about justice and that he put it at the core of his republican theory."  
—Maurizio Viroli, author of *Niccolò's Smile: A Biography of Machiavelli*

Erica Benner is fellow in ethics and history of philosophy at Yale University.

November 2009. 544 pages.  
Pa: 978-0-691-14177-0 \$35.00 | £24.95

## What Democracy Is For

On Freedom and Moral Government

**Stein Ringen**

"This is a thoughtful and also, for the most part, a hopeful book. It does not disguise the problems that currently beset democracies and their welfare states, but argues nevertheless that progress towards real freedom and real democracy can

still be achieved."

—Andrew Gamble, *Times Literary Supplement*

Stein Ringen is professor of sociology and social policy at the University of Oxford.

2009. 336 pages. 10 tables.

Pa: 978-0-691-14116-9 \$24.95 | £16.95

## After Adam Smith

A Century of Transformation in Politics and Political Economy

**Murray Milgate & Shannon C. Stimson**

"This work represents the best of contemporary scholarship on the history of political, economic, and social thought."  
—John G. Gunnell, University at Albany, State University of New York

Murray Milgate is fellow and director

of studies in economics at Queens' College, University of Cambridge. Shannon C. Stimson is professor of political science and the history of political thought at the University of California, Berkeley.

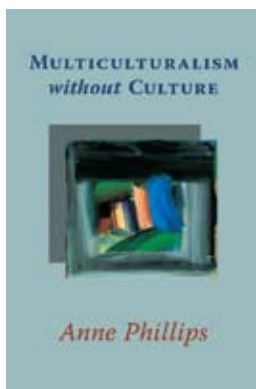

2009. 320 pages.

Cl: 978-0-691-14037-7 \$35.00 | £24.95

New Paperback

## Multiculturalism without Culture

Anne Phillips

"This important text raises two main issues. First, it asks advocates of multiculturalism to reject the reified concept of culture on which their arguments often rely, and to embrace instead 'multiculturalism without culture' . . . Second, the book

demands recognition that everyone is a member of culture."

—P. T. Lenard, *Choice*

Anne Phillips is professor of political and gender theory at the London School of Economics and Political Science.

2009. 215 pages.

Pa: 978-0-691-14115-2 \$19.95 | £13.95

Forthcoming

## Health, Luck, and Justice

Shlomi Segall

"In this very welcome book, Shlomi Segall makes a notable contribution to the very small number of serious attempts to provide a basis within a theory of justice for claims on social resources for health. Theoretically sophisticated and morally serious, Segall's book maintains a high scholarly standard. *Health, Luck, and Justice* should be read by philosophers, bioethicists, economists, and other social scientists concerned with the ethics of health policy."

—Daniel Wikler, Harvard University

Shlomi Segall is lecturer in the Department of Political Science and the Integrative Program of Philosophy, Economics, and Political Science (PEP) at the Hebrew University of Jerusalem.

November 2009. 264 pages.

## Social Conventions

From Language to Law

Andrei Marmor

“This book develops and applies a general theory of social conventions, then employs it to answer questions about the role of convention in language, morality, and law. Marmor’s conclusions are noteworthy not only for the light they shed on the conventions

found in these areas, but also for the claim that some linguistic and moral phenomena deemed conventional by other writers do not, in fact, have this status.”

—Christopher McMahon, University of California, Santa Barbara

Andrei Marmor is the Maurice Jones Jr. Professor of Law and a professor of philosophy at the University of Southern California.

*Princeton Monographs in Philosophy*

2009. 200 pages.

Cl: 978-0-691-14090-2 \$39.50 | £27.95

*Forthcoming*

## Beyond the Formalist-Realist Divide

The Role of Politics in Judging

Brian Z. Tamanaha

“This is an excellent book and a very significant contribution to the field. Tamanaha very effectively debunks the traditional, simplistic, yet widely accepted vision of a break between traditional formalism and modern realism. His book may well become a classic historical reference.”

—Frank B. Cross, author of *Decision Making in the U.S. Courts of Appeals*

Brian Z. Tamanaha is professor of law at Washington University School of Law.

January 2010. 248 pages.

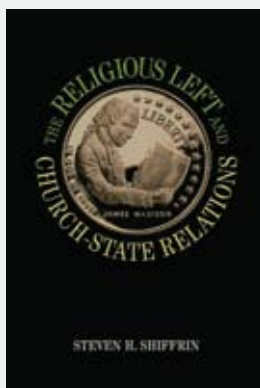

Pa: 978-0-691-14280-7 \$24.95 | £16.95

Cl: 978-0-691-14279-1 \$70.00 | £48.95

## Prison Religion

Faith-Based Reform and the Constitution

Winnifred Fallers Sullivan

“*Prison Religion* is a remarkable and illuminating book.”  
—Michael Warner, Yale University

Winnifred Fallers Sullivan is associate professor of law and director of the Law and Religion Program at the University at Buffalo

Law School, State University of New York.

2009. 320 pages.

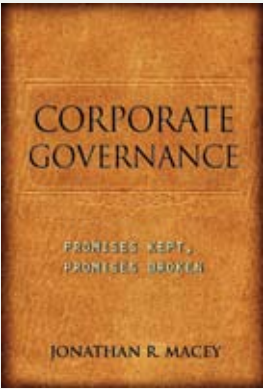

Cl: 978-0-691-13359-1 \$35.00 | £24.95

New

## Corporate Governance

Promises Kept, Promises Broken

Jonathan R. Macey

"Intriguing, provocative, and readable. One comes away from this book with a good sense of why the institutions of corporate governance are not always what they seem, and why politics plays too large a role in the choice of what to embrace

and what to shun."

—Donald C. Langevoort, Georgetown University

Jonathan R. Macey is the Sam Harris Professor of Corporate Law, Corporate Finance, and Securities Law at Yale Law School.

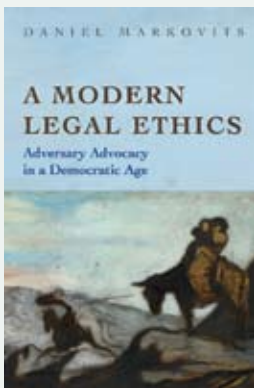

2008. 344 pages. 1 line illus. 5 tables.  
Cl: 978-0-691-12999-0 \$35.00 | £24.95

New

## A Modern Legal Ethics

Adversary Advocacy in a Democratic Age

Daniel Markovits

"This book addresses both lawyers interested in moral theory and philosophers interested in what lawyers do....

Scrupulous and balanced, this book is a real and substantial contribution to the field."

—Brad Wendel, Cornell University

Daniel Markovits is a professor at Yale Law School.

2008. 376 pages.  
Cl: 978-0-691-12162-8 \$29.95 | £20.95

New

## Legal Accents, Legal Borrowing

The International Problem-Solving Court Movement

James L. Nolan, Jr.

"Why are American criminal justice innovations so influential even in countries characterized by strong dislike of American cultural imperialism? When legal institutions are imported from abroad is it possible to filter out wider cultural assump-

tions and practices? In this well-argued and innovative study, James Nolan examines such questions by focusing on how American-style problem-solving courts have been adapted in five other common law jurisdictions. This is a fine and timely illustration of the complexities of cultural borrowing."

—David Nelken, Cardiff Law School

James L. Nolan, Jr., is professor of sociology at Williams College.

2009. 264 pages. 2 line illus.  
Cl: 978-0-691-12952-5 \$35.00 | £24.95

## Codes of the Underworld

How Criminals Communicate

Diego Gambetta

*"Codes of the Underworld* persuasively answers new and provocative questions raised from Gambetta's extensive experience in the study of criminal behavior."  
—Thomas C. Schelling, Nobel Prize-winning economist

Diego Gambetta is Official Fellow of Nuffield College and professor of sociology at the University of Oxford.

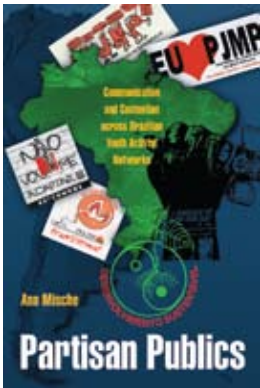

2009. 368 pages. 5 line illus. 3 tables.  
Cl: 978-0-691-11937-3 \$35.00 | £24.95

New Paperback

## Partisan Publics

Communication and Contention across Brazilian Youth Activist Networks

Ann Mische

*"Partisan Publics* is a stunningly original book. . . Mische's argument and the narratives that bring it to life combine deep ethnographic knowledge with an equally compelling theoretical vision."  
—Margaret Keck, Johns Hopkins University

Ann Mische is associate professor of sociology at Rutgers University.

Princeton Studies in Cultural Sociology  
2009. 456 pages. 36 line illus. 17 tables.  
Pa: 978-0-691-14104-6 \$25.95 | £17.95  
Cl: 978-0-691-12494-0 \$55.00 | £37.95

New

## Inventing Equal Opportunity

Frank Dobbin

*"The book is key to understanding the transformation of American society in the late twentieth century. But it is also a more general study of the processes through which public policy becomes embedded in the economy and the society."*  
—Michael Piore, Massachusetts Institute of Technology

Frank Dobbin is professor of sociology at Harvard University.

2009. 320 pages. 54 line illus. 1 table.  
Cl: 978-0-691-13743-8 \$35.00 | £24.95

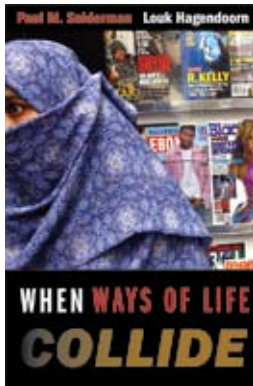

New Paperback

Winner of the 2008 Robert E. Lane Award, Political Psychology Section, American Political Science Association

## When Ways of Life Collide

Multiculturalism and Its Discontents in the Netherlands

Paul M. Sniderman & Louk Hagendoorn

*"Sniderman and Hagendoorn expertly describe how, beginning in the 1980s, elite politicians and academics in the Netherlands advocated for an extreme form of accommodation for Dutch immigrants."*  
—T. D. Boswell, *Choice*

Paul M. Sniderman is the Fairleigh S. Dickinson, Jr., Professor of Public Policy at Stanford University. Louk Hagendoorn is professor of social science at Utrecht University.

2009. 176 pages. 15 line illus. 19 tables.  
Pa: 978-0-691-14101-5 \$18.95 | £12.95  
Cl: 978-0-691-12906-8 \$35.00 | £24.95

New

## Social Structures

John Levi Martin

“This is a tremendously impressive and deeply intriguing book about localized network configurations, the rules they follow, and the way in which those configurations are caught up in processes of nation-building.

The scholarship is expansive yet engagingly idiosyncratic. This is a much-needed book.”

—David Gibson, University of Pennsylvania

John Levi Martin is professor of sociology at the University of Chicago, the University of California, Berkeley, and the University of Wisconsin–Madison.

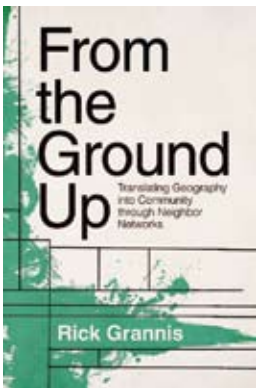

2009. 448 pages. 3 halftones. 47 line illus. 2 tables.  
Cl: 978-0-691-12711-8 \$39.50 | £27.95

New

## From the Ground Up

Translating Geography into Community through Neighbor Networks

Rick Grannis

“With insight, Grannis conceptualizes neighborhoods as a chain of networks that form along predictable geographic boundaries linking local residents to one another.”

—George E. Tita, University of California, Irvine

Rick Grannis is assistant professor of sociology at the University of California, Los Angeles.

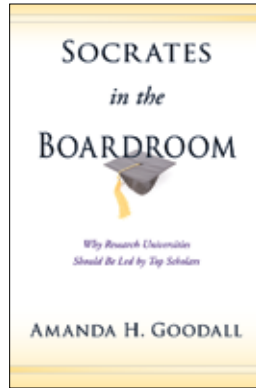

2009. 264 pages. 43 line illus. 32 tables.  
Cl: 978-0-691-14025-4 \$35.00 | £24.95

New

## Socrates in the Boardroom

Why Research Universities Should Be Led by Top Scholars

Amanda H. Goodall

“*Socrates in the Boardroom* is a must-read for anyone interested in the academic enterprise.”  
—Ronald G. Ehrenberg, Cornell University

Amanda H. Goodall is a Leverhulme Fellow at Warwick

Business School at the University of Warwick.

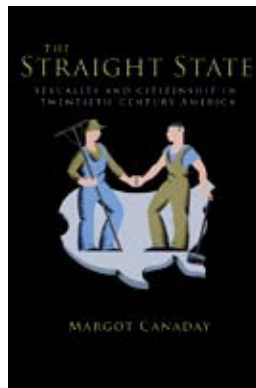

2009. 208 pages. 26 line illus. 24 tables.  
Cl: 978-0-691-13800-8 \$29.95 | £20.95

New

## The Straight State

Sexuality and Citizenship in Twentieth-Century America

Margot Canaday

“Canaday asks how and why the emerging federal bureaucracy came to define, regulate, and exclude gay men and lesbians, and her answers take us into the inner workings of the state’s policing machinery.”  
—Joanne Meyerowitz, author of *How*

*Sex Changed: A History of Transsexuality in the United States*

Margot Canaday is assistant professor of history at Princeton University.

*Politics and Society in Twentieth-Century America*

2009. 296 pages. 6 halftones.  
Cl: 978-0-691-13598-4 \$29.95 | £20.95

*New Paperback*

Winner of the 2008 Best Book Award, Comparative Democratization Section, American Political Science Association

## Barriers to Democracy

The Other Side of Social Capital in Palestine and the Arab World

Amaney A. Jamal

"Accepted wisdom links associational life to the growth and maintenance of a healthy democracy. But [Jamal]'s extensive fieldwork has uncovered a challenge to this conventional linkage, showing that associational life can be used to prop up

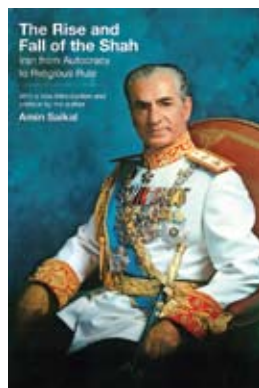

undemocratic states. This is an important and timely insight."

—M. Slann, *Choice*

Amaney A. Jamal is assistant professor of politics at Princeton University.

2009. 192 pages. 10 tables. 2 maps.

Cl: 978-0-691-12727-9 \$45.00 | £30.95

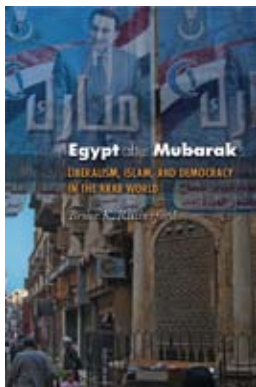

New

## Egypt after Mubarak

Liberalism, Islam, and Democracy in the Arab World

**Bruce K. Rutherford**

"This book provides a superb analysis of the domestic constituencies and agendas for political reform in Egypt, highlighting their distinctive features and their common ground. Rutherford accomplishes this with a high degree of analytic sophistica-

tion, and backs it with rich supporting evidence. This book makes a significant contribution to our understanding of contemporary Egyptian politics and society by deftly identifying—and capturing the nuances of—the alternate political visions in Egypt."

—Carrie Rosefsky Wickham, Emory University

Egypt's autocratic regime is being weakened by economic crises, growing political opposition, and the pressures of globalization. Observers now wonder which way Egypt will go when the country's aging president, Hosni Mubarak, passes from the scene: will it embrace Western-style liberalism and democracy? Or will it become an Islamic theocracy similar to Iran? *Egypt after Mubarak* demonstrates that both secular and Islamist opponents of the regime are navigating a middle path that may result in a uniquely Islamic form of liberalism and, perhaps, democracy.

Bruce K. Rutherford is assistant professor of political science at Colgate University.

2009. 304 pages. 1 table.

Cl: 978-0-691-13665-3 \$35.00 | £24.95

Forthcoming

## Can Islam Be French?

Pluralism and Pragmatism in a Secularist State

**John R. Bowen**

"Through a rich ethnography of normative practices such as pedagogies and legal reasonings, John Bowen has produced a rare and invaluable analysis of the making of a French Islam that owes as much to French legal and political constraints

as to Muslims' engagement with the Islamic tradition."

—Malika Zeghal, University of Chicago

John R. Bowen is the Dunbar-Van Cleve Professor in Arts & Sciences at Washington University in St. Louis.

December 2009. 232 pages. 7 halftones.

Cl: 978-0-691-13283-9 \$35.00 | £24.95

Also by John R. Bowen

## Why the French Don't Like Headscarves

Islam, the State, and Public Space

"[This book] should be read by every American who holds public office as well as everyone else who cares about this great question of our day: What should we ask of those who want to live in our country?"

—David Kirby, *Chicago Tribune*

2008. 304 pages. 6 halftones.

Pa: 978-0-691-13839-8 \$19.95 | £13.95

New

## Taming the River

Negotiating the Academic, Financial, and Social Currents in Selective Colleges and Universities

**Camille Z. Charles, Mary J. Fischer, Margarita A. Mooney & Douglas S. Massey**

“This is the most detailed and sophisticated analysis of the determinants of student grades that has ever been done. The arguments and data are compelling.”  
—Stephen Cole, State University of New York, Stony Brook

Building on their important findings in *The Source of the River*, the authors now probe even more deeply into minority underachievement at the college level. *Taming the River* examines the academic and social dynamics of different ethnic groups during the first two years of college. Focusing on racial differences in academic performance, the book identifies the causes of students’ divergent grades and levels of personal satisfaction with their institutions.

Camille Z. Charles is the Edmund J. and Louise W. Kahn Term Professor in the Social Sciences, and professor of sociology, education, and African studies at the University of Pennsylvania. Mary J. Fischer is assistant professor of sociology at the University of Connecticut. Margarita A. Mooney is assistant professor of sociology at the University of North Carolina, Chapel Hill. Douglas S. Massey is the Henry G. Bryant Professor of Sociology and Public Affairs at Princeton University’s Woodrow Wilson School.

2009. 320 pages. 13 line illus. 56 tables.  
Cl: 978-0-691-13964-7 \$35.00 | £24.95

New

## Crossing the Finish Line

Completing College at America’s Public Universities

**William G. Bowen, Matthew M. Chingos & Michael S. McPherson**

“[A] major contribution to our understanding of public higher education institutions.”  
—Jesse Rothstein, Princeton University

William G. Bowen is president emeritus of the Andrew W. Mellon Foundation and Princeton University.

Matthew M. Chingos is a research associate at the Andrew W. Mellon Foundation. Michael S. McPherson is president of the Spencer Foundation.

### SALES TAX

\*NJ 7%; CA 9.25%; Canada GST 5%; Shipping charges to NJ: Add 7% sales tax. Princeton University Press remits GST to Revenue Canada. Your books will be shipped from inside Canada and you will not be assessed Canada Post's border handling fee.

### SHIPPING & HANDLING

\*\*Please add \$4.00 for the first book and \$1.00 for each additional book. Outside the U.S. and Canada: add \$15.00 for the first book and \$10.00 for each additional book. Overseas shipping is by standard air.

*Please allow 3 weeks for shipping; publication dates of new books are identified and they will be shipped as soon as they are available.*
