American Prophets
Seven Religious Radicals and Their Struggle for Social and Political Justice

Albert J. Raboteau

“This scholarly yet accessible primer to the role of faith in the lives of American activists challenges contemporary notions of the role of religion in politics and argues that empathy is a critical first step in addressing the suffering of others.”
—Publishers Weekly

“The subjects [of American Prophets] knew one another and participated, often shoulder-to-shoulder, in events like the great southern civil rights marches and the anti-Vietnam War demonstrations of the 1960s. As important, they wrote, spoke, and guided the movements. Let the study of them together start with these concise yet weighty appraisals.”
—Ray Olson, Booklist

A momentous scholarly achievement as well as a moving testimony to the human spirit, American Prophets represents a major contribution to the history of religion in American politics. This book is essential reading for anyone who is concerned about social justice, or who wants to know what prophetic thought and action can mean in today’s world.

Village Atheists
How America’s Unbelievers Made Their Way in a Godly Nation

Leigh Eric Schmidt

“This is a fresh, lively, discerning account of popular freethought. Schmidt shows how resilient and resourceful have been the minority of Americans who publicly refuse belief in God. Amid vehement efforts by the religious majority to suppress them, these hated ‘village atheists’ managed to expand gradually the borders of acceptable spiritual orientations. Schmidt’s fascinating subjects are popular writers and cartoonists, not the scientists and philosophers that dominate our standard secularization narrative.”
—David A. Hollinger, University of California, Berkeley

Village Atheists reveals how the secularist vision for the United States proved to be anything but triumphant and age-defining for a country where faith and citizenship were—and still are—routinely interwoven.

2016. 358 pages. 60 halftones.

After One-Hundred-and-Twenty
Reflecting on Death, Mourning, and the Afterlife in the Jewish Tradition
Hillel Halkin

“Halkin’s frankness about his own difficulties in coming to terms with his parents’ deaths and traditional Jewish rituals such as sitting shiva helps make this nuanced quest for meaning personal and affecting.”
—Publisher’s Weekly

“This is a most remarkable and beautifully written book. Halkin elegantly weaves together illuminating scholarly examinations of various Jewish ideas about death, mourning, and the afterlife with his own wonderfully honest, humane, and deeply moving personal reflections on these subjects and on his own mortality. After One-Hundred-and-Twenty is in a class by itself.”
—Leon R. Kass, author of The Beginning of Wisdom: Reading Genesis

After One-Hundred-and-Twenty provides a richly nuanced and deeply personal look at Jewish attitudes and practices regarding death, mourning, and the afterlife as they have existed and evolved from biblical times to today.

American Jesuits and the World
How an Embattled Religious Order Made Modern Catholicism Global
John T. McGreevy

“Told through brilliantly rendered portraits, American Jesuits and the World describes how European Jesuits, unmoored by revolution in their home countries, fled to the United States and from their new home contributed to shaping a distinctly Catholic global modernity. This is not solely a book about a religious order, but a new history of American Catholicism. A stunning achievement.”
—Robert A. Orsi, author of History and Presence

Revelatory Events
Three Case Studies of the Emergence of New Spiritual Paths
Ann Taves

Unseen presences. Apparitions. Hearing voices. Although some people would find such experiences to be distressing and seek clinical help, others perceive them as transformative. Occasionally, these unusual phenomena give rise to new spiritual paths or religious movements. Revelatory Events provides fresh insights into what is perhaps the bedrock of all religious belief—the claim that otherworldly powers are active in human affairs.

The Origin of the Jews
The Quest for Roots in a Rootless Age
Steven Weitzman

“Compellingly argued and very original. Only a scholar whose mind is as fertile as Weitzman’s and whose curiosity is as intense as his could have pulled off a book like this with such success.”
—Saul M. Olyan, author of Disability in the Hebrew Bible

The Jews have one of the longest continuously recorded histories of any people in the world, but what do we actually know about their origins? While many think the answer to this question can be found in the Bible, others look to archaeology or genetics. Some skeptics have even sought to debunk the very idea that the Jews have a common origin. In this book, Steven Weitzman takes a learned and lively look at what we know—or think we know—about where the Jews came from, when they arose, and how they came to be.

Spanning more than two centuries and drawing on the latest findings, The Origin of the Jews brings needed clarity and historical context to this enduring and often divisive topic.

July 2017. 432 pages. 8 halftones. Cl: 978-0-691-17460-0 $35.00 | £24.95

Ordinary Jews
Choice and Survival during the Holocaust
Evgeny Finkel

“Superb and path-breaking, Ordinary Jews places victim agency at the center of its analysis. For too long genocide scholars have been concerned with uncovering the sources of perpetrator behavior while ignoring victim reactions as the genocide unfolded. The individual victim stories told here are heartrending yet fascinating in their complexity. The narrative was so compelling, I was reluctant to put the book down.”
—Manus Midlarsky, Rutgers University

“This is a very important and fascinating contribution to our understanding of genocide and the choices made not only by the perpetrators and bystanders but also by the victims. In explaining the different types of strategies the targets of genocide might use to ensure their survival, ranging from compliance to resistance to evasion, this compelling analysis returns agency to the victims.”
—Anna Grzymała-Busse, Stanford University

April 2017. 312 pages. 10 line illus. 6 tables. Cl: 978-0-691-17257-6 $29.95 | £22.95

Trouble in the Tribe
The American Jewish Conflict over Israel
Dov Waxman

“[A] detailed and meticulously balanced account.... Both Waxman’s complex picture of American Jewry and the plea for ‘critical engagement’ emerging from it deserve our serious consideration.” —William Kolbrener, Times Higher Education

Trouble in the Tribe explores the increasingly contentious place of Israel in the American Jewish community. In a fundamental shift, growing numbers of American Jews have become less willing to unquestioningly support Israel and more willing to publicly criticize its government. More than ever before, American Jews are arguing about Israeli policies, and many, especially younger ones, are becoming uncomfortable with Israel’s treatment of Palestinians.

Dov Waxman argues that Israel is fast becoming a source of disunity for American Jewry, and that a new era of American Jewish conflict over Israel is replacing the old era of solidarity.

Israel used to bring American Jews together. Now it is driving them apart. Trouble in the Tribe explains why.

The Star and the Stripes
A History of the Foreign Policies of American Jews
Michael N. Barnett

“An astute study that should provoke productive conversations.” —Stephen Darori, Israel Book Review

“[A]n important book that shows how American Jews struggle with and express their identities on a global scale.” —Publishers Weekly

“Distressing.... [The Star and the Stripes] deserves attention because the issues it raises should not be ignored.” —Libby K. White, Jewish Book Council

How do American Jews envision their role in the world? Are they tribal—a people whose obligations extend solely to their own? Or are they prophetic—a light unto nations, working to repair the world? The Star and the Stripes is an original, provocative interpretation of the effects of these worldviews on the foreign policy beliefs of American Jews since the nineteenth century.

Mother of Mercy, Bane of the Jews
Devotion to the Virgin Mary in Anglo-Norman England
Kati Ihnat

“In Mother of Mercy, Bane of the Jews, Kati Ihnat achieves a great deal, exploring liturgy, miracle tales, chronicles, and images with equal authority and insight.”
—Miri Rubin, author of Mother of God: A History of the Virgin Mary

Through an examination of miracles, sermons, liturgy, and theology, Mother of Mercy, Bane of the Jews reveals how English monks helped to establish an enduring rivalry between Mary and the Jews, in consolidating her as the most popular saint of the Middle Ages and in making devotion to her a foundational marker of Christian identity.

In the Land of a Thousand Gods
A History of Asia Minor in the Ancient World
Christian Marek
In collaboration with Peter Frei
Translated by Steven Rendall

“An expansive, formidable work of scholarship that should prove indispensable to students of the Near East.”
—Publishers Weekly

This monumental book provides the first comprehensive history of Asia Minor from prehistory to the Roman imperial period. In this English-language edition of the critically acclaimed German book, Christian Marek masterfully employs ancient sources to illuminate civic institutions, urban and rural society, agriculture, trade and money, the influential Greek writers of the Second Sophistic, the notoriously bloody exhibitions of the gladiatorial arena, and more.

A breathtaking work of scholarship, In the Land of a Thousand Gods will become the standard reference book on the subject in English.

2016. 824 pages. 105 halftones. 4 line illus. 23 tables. 23 maps.

A Place at the Altar
Priestesses in Republican Rome
Meghan J. DiLuzio

 “[A Place at the Altar] makes an important contribution toward a fuller account of the role of women in Roman religion.”
—Lora Holland, University of North Carolina, Asheville

A Place at the Altar illuminates a previously underappreciated dimension of religion in ancient Rome: the role of priestesses in civic cult. Demonstrating that priestesses had a central place in public rituals and institutions, Meghan DiLuzio emphasizes the complex, gender-inclusive nature of Roman priesthood. In ancient Rome, priestly service was a cooperative endeavor, requiring men and women, husbands and wives, and elite Romans and slaves to work together to manage the community’s relationship with its gods.

Longing for the Lost Caliphate
A Transregional History
Mona Hassan

“A significant achievement, this should be the first book given to those who ask why the caliphate is important to Muslim culture.”
—Francis Robinson, author of The Mughal Emperors

In the United States and Europe, the word “caliphate” has conjured historically romantic and increasingly pernicious associations. Yet the caliphate’s significance in Islamic history and Muslim culture remains poorly understood. This book explores the myriad meanings of the caliphate for Muslims around the world through the analytical lens of two key moments of loss in the thirteenth and twentieth centuries. Through extensive primary-source research, Mona Hassan explores the rich constellation of interpretations created by religious scholars, historians, musicians, statesmen, poets, and intellectuals.

A global history, Longing for the Lost Caliphate delves into why the caliphate has been so important to Muslims in vastly different eras and places.

February 2017. 408 pages. 23 halftones. 4 maps.

A History of the ‘Alawis
From Medieval Aleppo to the Turkish Republic
Stefan Winter

“Incredibly rich in scope and detail, this seminal book should be read by anyone interested in Syria’s past and present.”
—Bruce Masters, Wesleyan University

The ‘Alawis, or Alawites, are a prominent religious minority in northern Syria, Lebanon, and southern Turkey, best known today for enjoying disproportionate political power in war-torn Syria. In this book, Stefan Winter offers a complete history of the community, from the birth of the Alawi (Nusayri) sect in the tenth century to just after World War I, the establishment of the French mandate over Syria, and the early years of the Turkish republic. Winter draws on a wealth of Ottoman archival records and other sources to show that the ‘Alawis were not historically persecuted as is often claimed, but rather were a fundamental part of Syrian and Turkish provincial society.

2016. 328 pages. 22 halftones. 6 tables. 4 maps.

The Rāmāyaṇa of Vālmīki
An Epic of Ancient India,
Volume VII: Uttarakāṇa
Introduction, Translation, and Annotation by
Robert P. Goldman & Sally J. Sutherland Goldman

The seventh and final book of the monumental Rāmāyaṇa of Vālmīki, the Uttarakāṇa, brings the epic saga to a close with an account of the dramatic events of King Rāma’s millennia-long reign.

The Peace of the Gods
Elite Religious Practices in the Middle Roman Republic
Craige B. Champion

“The Peace of the Gods is an important book that offers a very sound answer to a major question about ancient Roman religion.”
—Greg Woolf, University of London

The Peace of the Gods takes a new approach to the study of Roman elites’ religious practices and beliefs, using current theories in psychology, sociology, and anthropology, as well as cultural and literary studies. Craige Champion focuses on what the elites of the Middle Republic (ca. 250–ca. 100 BCE) actually did in the religious sphere, rather than what they merely said or wrote about it, in order to provide a more nuanced and satisfying historical reconstruction of what their religion may have meant to those who commanded the Roman world and its imperial subjects.

**American Covenant**
A History of Civil Religion from the Puritans to the Present
Philip Gorski

“Philip Gorski’s stimulating and original history of civil religion restarts a conversation begun by Robert Bellah at the height of the American involvement in Vietnam. It is a vital conversation again in the contemporary United States and Gorski offers a compelling vision of a patriotism that steers between a belligerent nationalism and a dismissal of all religious contributions. It’s a learned and even necessary book.”
—John T. McGreevy, author of *American Jesuits and the World*

“Gorski provides a deep intellectual backdrop to the political mess we find ourselves in today.”
